FORT WORTH-HANDLEY HIGH SCHOOL

Foreword

Your Annual Editors have earnestly attempted to produce in this volume of the Greyhound a book truly representative of the many activities which have been of interest during this school year of 1941-42. We have tried to show the progress of Fort Worth-Handley High School with the innovations, new styles and general expansions she is enjoying.

The shadow of war has come over our nation this year and has deepened as the time has passed. We have tried to adjust ourselves to a new order, and we have not complained. We have gone forward with the conviction that our cause is just and in due time we will win. The "V" of our book stands for Victory.

We trust that each page of this Greyhound will hold something of interest to you; that you will laugh at the jibes about you and enjoy those about your friends. As the years come and go, may these pages serve to keep alive many pleasant memories of school days and deepen your love for our school.

Dedication

The dedication of a Year Book is a privilege that gives great pleasure to the Senior Class, because it offers an opportunity to say in print to a teacher especially loved, "Thank you". To this teacher this year we also say;

Because of your kindness and
patience,

Because of the generous love that
makes up so much of your
nature,

Because of what you are and what
we have come to know you are,

Because we admire you, respect
you, and love you,

We, the Senior Class of 1942

Gratefully dedicate this volume
of **The Greyhound**
to Miss Arabella Odell.

Although Handley High School has had several organizations to recognize scholarship and leadership, she did not until this year join the National Honor Society. This year we applied for membership and a new chapter was organized in our school.

The above students are charter members of this new chapter, elected upon scholarship, service, leadership, and character. We are happy to recognize these students of unusual ability and we are confident that the future will prove them worthy.

STUDENT COUNCIL

Left to Right: Jim Patterson, Wanda Barton, Marjorie Bone, Curtis Ketchum, Bob Craig, Mary Hughes, Marian Blackshear, Ronald Mahan, Rowland Fox, Kenneth Graves, Frank Rigby.

The Student Council is the advisory body of our school. It is also the body which looks out for improvements in school and gives proper impetus to them. The Student Council is made up of the class presidents. The members take back to the home rooms the plans formulated in the meetings of the Council. A president of a Senior room is the presiding officer.

In the above picture the discussion is centering around the V for Victory.

★ Football Season of '42

If ever a team wearing the colors of Handley High had a successful season, it was certainly the Greyhounds of '42. Playing the hardest schedule of any Handley team yet, the boys in purple and white this year went farther.

It is most remarkable for a school the size of Handley to send a team to the regional finals. This was not accomplished by individual playing but by teamwork. Seldom does one find a team with more hustle, spirit and sheer courage than this team displayed. Everything worked in perfect harmony, and the boys played their hearts out for Coach Lowe. Another factor that pushed the boys on to victory was the loyal student body and faculty along with the good people of Handley, who backed the team one hundred per cent.

The season was started the first of September with a very small squad that included four returning lettermen. Things looked "pretty dismal" at first, but the boys had the same spirit and hustle that carried other Handley teams in the past to championships.

The first game of the season was played after the entire squad had been assembled for only three days regular practice; consequently the Greyhounds lost this game to Weatherford,

a team of class AA rating. Then Handley swept through seven district games, defeating Keller, Alvarado, Birdville, Grandview, Grapevine, Midlothian and Granbury. This left only Diamond Hill, the cross-town rivals, blocking the Greyhounds from another district title. They, too, were undefeated in district competition, and a lot was at stake when these two teams battled at Farrington Field one cold November day. Handley was prepared in every respect, and the people of Handley who saw the game will never forget that ninety-yard march in the last three minutes of play that brought victory and the district title to the Greyhounds.

The following week the Greyhounds defeated the strong Mesquite team from Dallas for the bi-district title and the right to enter the finals. In the Mesquite game, however, several members of the starting eleven received injuries that forced them to miss practice for the coming game with La Vega. The Greyhounds were in the worst shape of the season when these two teams met. Both teams battled on even terms for three and one-half quarters before La Vega finally scored. There was no alibi, but it might have been a different story if the Greyhounds had been at full strength.

**BOB "COCK ROBIN"
CRAIG**

Right Halfback
No. 50 Captain

Bob was the kind of halfback that makes the coach smile. A man who could carry the ball and could tackle on defense. But more than that, he had that old fighting football spirit.

HAROLD BIERMAN

Fullback
No. 99

Harold was a very dependable and excellent player. Whether it was a few yards for first down or a "fifty yard run," he could deliver. We are sorry to lose the good player and leader that Harold was for the past four years.

A swell guy, and a good manager.

BILL "WILLIAM" BUTLER

Quarterback
No. 55

Through the line blocking and smart playing of Bill's the Grayhounds made many yards. Bill will be back next year to back up the line in fine style.

**TOM "ACE"
BLACKSHEAR**

Left Half
No. 22

Tommy was a great halfback and a perfect cog in the machine that rolled over many. Tom will be back next year with his fine ball-carrying ability if the proposed semester rule goes into effect.

The Handley boys
1922.

TED "MOOSE" LANGDON

Fullback
No. 35

Ted got a late start this year but when he was able to come out there wasn't another member with more hustle, spirit or determination than Ted. We're counting on you next year, Ted.

BOB "GOLDBRICK" STOREY

Quarterback
No. 45

Bob was always among the first to get on the practice field, and "hustle" was his middle name. Storey was little but plenty loud and will be around again next year.

After the Diamond Hill game, a happy coach.

The Diamond Hill and Handley kickoff.

HAROLD MOORE

Left Guard
No. 66

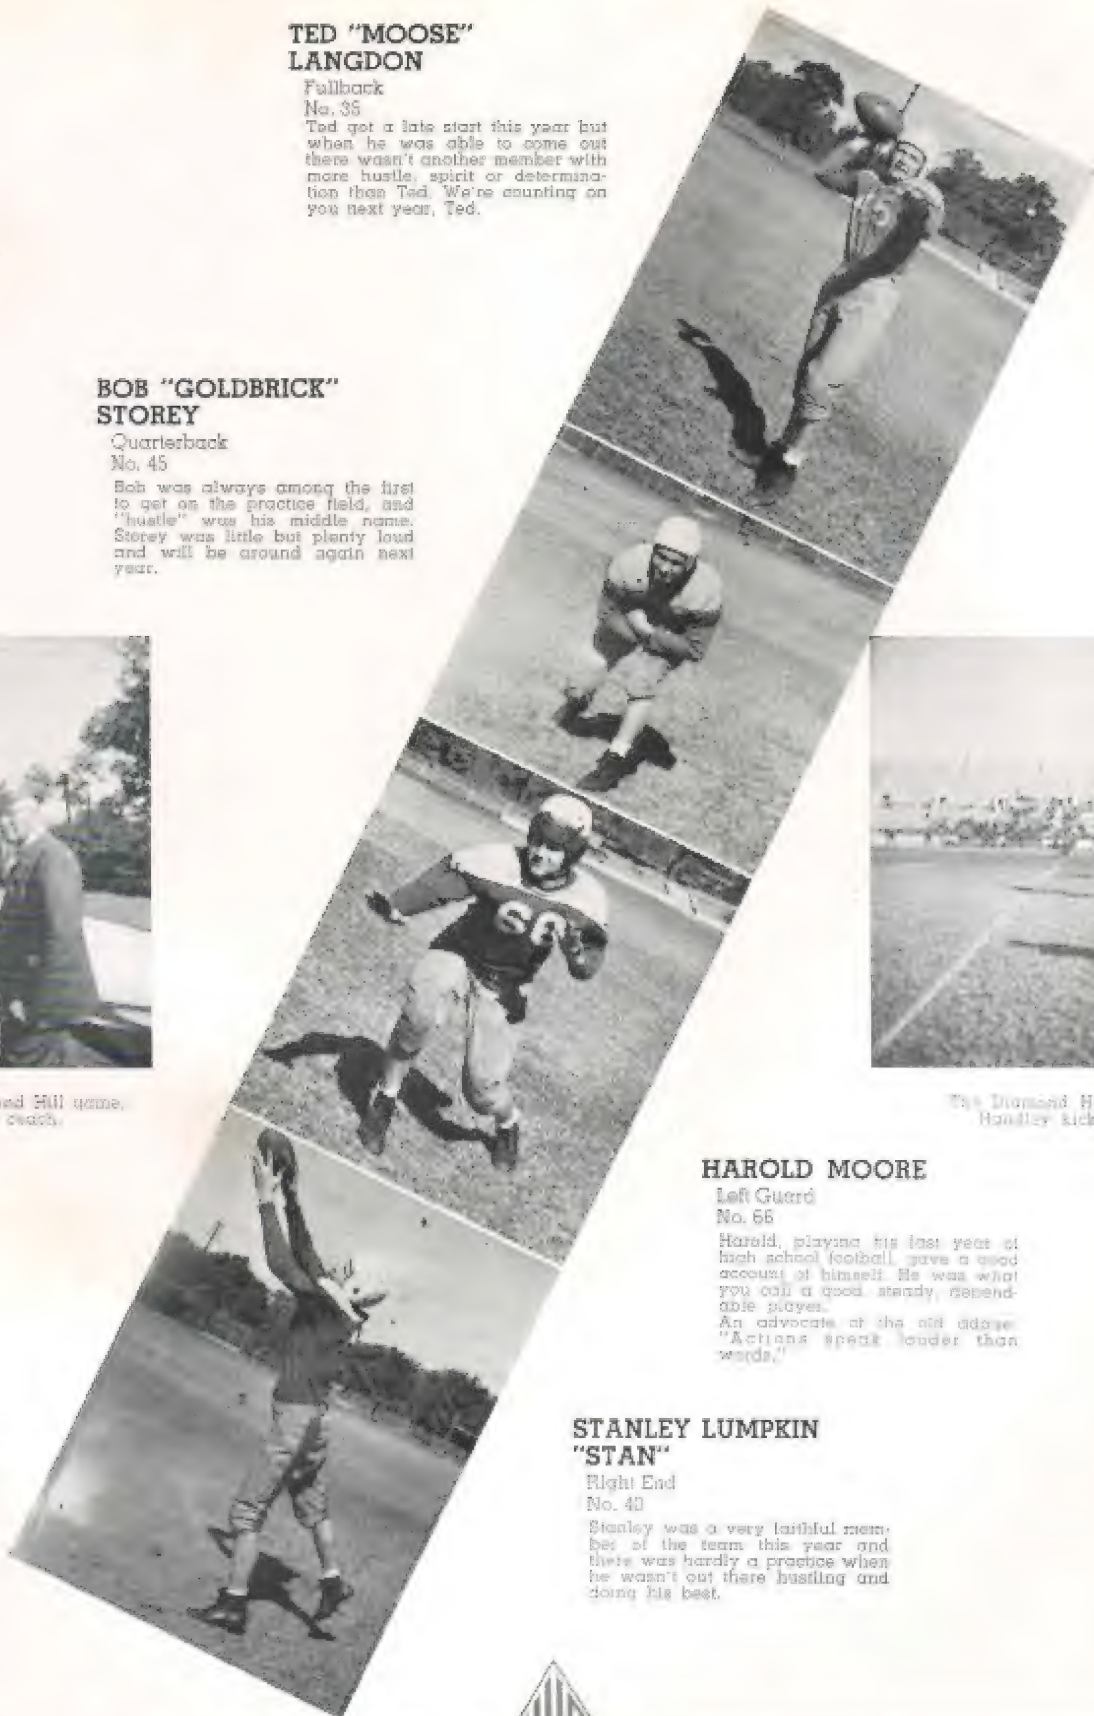

Harold, playing his last year of high school football, gave a good account of himself. He was what you call a good, steady, dependable player.

An advocate of the old adage: "Actions speak louder than words."

STANLEY LUMPKIN "STAN"

Right End
No. 40

Stanley was a very faithful member of the team this year and there was hardly a practice when he wasn't out there hustling and doing his best.

BILL HILL

Left End
No. 44

Bill was noted for his pass catching ability and his fine defensive work. This was Bill's first and last year to play. He will be missed very much by the team next year.

VERNON "PUR" PURSELLY

Left Tackle
No. 77 Captain

Vernon was line Captain this year and made a very good leader for the line. He kept the boys hustling from the time to start to time to stop.

Action in the Diamond Hill game.

RAYMOND MILLER

Center
No. 30

This was Raymond's first year to play, and he did a fine job of holding down center. Raymond will be one of the few who will be back next year.

JESSE REEVES

Right Tackle
No. 77

Jesse played right tackle this year and could always be depended on to do his part. He could always open a hole where needed and opponents dreaded it when he got in their way.

And a Birdville player bites the dust.

J. D. McCONNELL

Right Guard
No. 33

This was J. D.'s first and last year. He helped hold down right guard and did a swell job of it while he was in there.

KENNETH GRAVES

Right Guard
No. 12

Kenneth is another one of the few who will be back next year. He played right guard, and when he comes back next year he will be much stronger and with more experience than this year.

Birdville tries a sneak play.

Coach and "Goldbrick" look over plays.

EARL YORK

Left End
No. 49

Earl will be a very valuable man in the lineup next year. He was very good at place-kicks and he kicked the goal which gave us our District Championship.

FRED TAYLOR

Right End
No. 14

This was Fred's first year to play. He will be back next year. He was always on time to practice and could be depended on to do his part.

HAROLD GOODWIN

Left Guard
No.

Harold had a little hard luck this year when he cracked his wrist, but he came on and played enough to letter. He will mean much to the squad next year.

BILL BOOTH

Right Guard

No. 11

Bill was a player who played most any place you put him. He first played in the backfield, then he was shifted to the line. Whenever he played he did fine defensive work.

NED TAYLOR

Football Student Manager

If ever a football team had a faithful, helpful friend, Handley had one in "Old Joe Abb." He was present at every practice, working just as hard as the players.

Basketball

The round-ballers of Handley High got off to a slow start because of the remarkable football season that carried to the middle of December. Some began to work out in the gym before the football season ended; they lacked the helpful hand of Coach Lowe, however, who was still busy with football. Practice was started in earnest after the Christmas holidays, with two lettermen back and a host of squadmen who really wanted to play.

Well, after two days practice the team battled the Keller Indians in the Handley gym and were victorious by three points and off to a good start. Then came the first taste of defeat when the next two games were lost by very close margins to Azle and Grapevine. This did not discourage the boys in purple but gave them more spirit and hustle with which to battle their opponents. Handley won the next two games over Diamond Hill and Alvarado. After the Alvarado game the team was hard hit by sickness and minor injuries; consequently the Greyhounds had a small losing streak that knocked the boys out of the title race. However, the Greyhounds came back strong to take the last five games. The boys showed their true ability in the last game of the season, when they defeated Granbury, the district 13-A champs, in a rousing game that will long be remembered. Although they didn't win the district title, they did win the city title from their bitter rival, Diamond Hill. The most important gain, however, was the spirit of good sportsmanship that will always apply in Handley High activities.

BILL HILL

Center
No. 10 Captain

Bill did a fine job of leading the purple five this year. He always kept a cool head in the heat of the battle and racked up many points for the Greyhounds. This year, Bill's last, was by far his best.

GRANDVILLE SHIELDS

Forward
No. 7

Grandville will always be remembered as the quiet little forward who slipped past the opponent's defense to score many points for the purple.

RAYMOND MILLER

Guard
No. 9

A coach likes to have a fellow around like Raymond, one who is thoroughly dependable and has athletic ability. Raymond will be back next year, fighting his best for Handley.

The team after defeating the district champs, Granbury

SONNY MUNDEN

Forward
No. 3

Sonny was plenty "salty" on defense, and he also had an eye for that Handley goal. He really "hustled" the ball and put everything he had into the game. It is regretted that Sonny won't play for Handley again next year.

STANLEY LUMPKIN

Guard
No. 1

Stan used his towering height to a good advantage, by hustling the ball off the back-boards and scoring many tip-in shots. Stanley won't be back next year.

BOB CRAIG

Guard
No. 4

Bob earned his second letter in basketball mostly by enjoying himself, and playing the finer type of basketball. His fine defensive work, and fast breaks on offense, fit in nicely. This is "Birdie's" last year to play for Handley.

WARREN FARRELL

Basketball Student Manager

No team could have wanted a better manager than Warren, a perfect "guy" for the job. He was well liked, and the basketball boys really appreciated his efforts.

Three happy
"guys."

It is an especial distinction to be able to make the Honor Roll in Handley High School. To be on the Honor Roll for the year, as the above students are, a student must have made all the six-weeks honor rolls for the year, except one. That means native ability and the willingness to work.

We congratulate these leaders in our line of business.

The students on this page at the hands of their fellow students and teachers have received special recognition for their high standards of citizenship. Each of them has a medal presented by the D. A. R. or by the American Legion. One of these students, Margaret Nan Lotspeich won the D. A. R. Pilgrimage Award for Texas and received a trip to Chicago with all expenses paid--another National recognition for our school.

Our Boys in Service

To the boys of Handley High School who are in the armed forces of our nation, fighting to protect the civilization of the world, we would pay our sincere tribute. You have already distinguished yourselves in service. We admire you, we respect you, and every day our prayers ascend for you. May honor and success be yours and may you return safely to us.

School Defense Work

School Defense projects have met with more than a ready response in Handley High this year—genuine enthusiasm has been a part of our lives and we have found real pleasure in doing our bit to help our boys in the armed forces fighting for the civilization of the world. Some of us knit, all of us gather used paper and rags, tinfoil and metal tubes. We buy bonds and stamps. We know what to do in black-outs and in air drills. We have studied first aid and home nursing, diet and nutrition, and ways to make our dollars do the most work. We are for Victory.

Programs for this organization included Thanksgiving program for assemblies and P. T. A., Christmas program, Easter program, numbers for the All Church Federation of Handley, in April Graduation exercises, and reached a happy reward in having a part in the All-City Chorus accompanied by the All-City Orchestra and directed by Brooks Morris.

ORCHESTRA

Front Row, Left to Right: Walter Rogers, Laura Nobles, Miss Pond, Preston Russel, David Collins, Mary Moore, Lee Roy Pierce, Stanley Lumpkin.
Second Row, Left to Right: Billy Gee, Verna Jefferies, Lester Priddy, Don Hazlewood, Mary Adams, Iodie Loacher, Eve Collett, Bonnie Hatter, Bernex Patterson, Jim Patterson, Jackie Story.

During the year the orchestra played for both the fall and spring graduating exercises, P.T.A. program in March, Senior Play in May, and took, under the direction of Brooks Morris, an active part in the All-City High School Orchestra which played an entire symphony, a feat unsurpassed by a similar group in the southwest.

We have had bigger declamation groups but we have never had a better declamation contest than the one held this year by this group. Coming as it did during a national stress, the contest attained that high patriotic spirit so characteristic of the American people. America Must Win—and America Will Win.

First places in their divisions went to Mary Lee Hughes, J. E. Green, Peggy Dunn, and Billy Gee.

Assembly

This is the way we look in Assembly. Some of us are pretty and some of us are not—but we are all happy. We always enjoy the assembly period whatever the announcements and the various programs may be. The doom of many a football foe has been sealed here.

Letter of Prophecy

Los Angeles, California
June 28, 1952

Dear Mr. Munde:

Lady Luck has smiled upon us! We have been able financially, and otherwise, to take our long planned vacation. Margaret Nan's summer vacation from teaching her math classes came at the same time that Maxine's vacation from the accounting department rolled around. So, we are making our eagerly awaited trip together.

This is a progressive letter—to be added to as we get around to it. Its main purpose is to tell of people we meet in whom you are interested, as well as of our travels.

Today we arrived in old California, land of sunshine and uniforms: Say, we found Ruth Heald in the Cocosnut Grove where she is a hot check girl. We looked up Helen Schooler, who is supervising the filming of her best seller, the BREEZE THAT BLEW. Helen told us that Mary Lee Hughes is now called the successor of Helen Hayes. Margie Faye Spadley is plugging away at a PBX board in a large hotel, where we found Bill Butcher, who is a successful salesman for Dorothy Perkins cosmetics. Bill Sexton is headlining here as a comedian on both screen and radio. Whoops! Almost forgot to mention our visit to the biggest department store we had ever seen where we hobnobbed with Lois Waldrop, who is personnel manager there. The most highly recommended sports commentator here is Harold Eberman. Our ship's in! Don Hazelwood's here in the navy where he's a Lieutenant Commander.

July 2, 1952

We are on our merry way! A service station is calling us. Did you know that I. W. Smith's chain of stations extended this far? Well, they do, because we stopped at one.

We have hurried on from the delights of Smith's Service Stations, Inc., and are en route to Chicago. On the way to Chicago we crossed one of the most magnificent bridges we had ever seen. Could you ever guess the name of the engineer? It's Ralph Starks.

We found a very dignified secretary at the Metropolitan Life Insurance Company who is none other than Virginia Dunn. Virginia told us that Billy Gullledge is a Red Cross nurse doing community work in Ohio.

On the elevator at Marshall Field & Co. in Chicago we recognized one of the operators as Juanita Young, who said that several members of the class of '42 were working here, so we made a grand tour of the store in search of the "lost sheep." We found Horace Munden in the accounting department, of all places. Thelma Reynolds is the interior decorator here, and is very prominent in that vocation.

Gertrude Reeves is the owner of a dress shop that specializes in originals designed by Leonard Reiff.

We attended a symphony concert that featured Walton Rogers as violin soloist. On reading the discussions of the entertainment

world next day we noticed that Janice Kliever is starred as an ice skater with the Lumpkin Brothers band here in Chicago. The wind brings the tidings that Thomas Sweet is a photographer for LIFE.

July 20, 1952

On our way through Grand Prairie we accidentally went through the ONLY red light in the whole town. One of those unfriendly persons in blue uniforms and brass buttons stopped us to make us atone for our misdeed. To our surprise this uniform contained none other than Jodie Lasater. Jodie told us that we would have to enjoy the hospitality of his fair jail until he consulted Mack Tynes, the district attorney, about the desirability of releasing us.

July 21, 1952

Home sweet home! We found several letters waiting for us, and among them were letters from Bonnie Hatter, who is a missionary in South America, and Doris Gibson, who is vacationing in Florida with her husband.

J. E. Green and Bob Routt are now proprietors of one of the finest theatres in Fort Worth. They tell us that Wayne Becken is a doctor at St. Joseph's where Mildred Tackett is a nurse, and Jane Martin is dietitian.

The Fort Worth Cats are expecting a successful season under the management of Ned Taylor. Say, James Rigby is now a star player for the Cats.

Vernon Purselley is with Texas Electric now and Bill Hill is manager of the gas company. Georgia Hoffman is a private secretary and incidentally is married. Georgia told us that F. L. McClary is now president of the McClary Milk and Ice Co. J. D. McConnell is working for the county in the capacity of county surveyor. Rev. Preston Russell came by to welcome us home, and told us that David Collins enjoys immense success in the research department of General Motors.

Jacqueline Hitt is now secretary of Girl Reserves at the Y. W. C. A. The newsboys are screaming about Bob Craig's latest victory in the court room as attorney for the defense.

We met Frances Barr, the present music teacher at Handley High, who said Harold Moore is coaching at Diamond Hill. Wonder how he likes it. Norma Richerson is teaching Spanish at T. W. C., and Maidee Newton is a teacher of dramatics in Denton.

Thus end the travels of Lotspeich and Phillips, and the reports of the present situations of the class of 1942. We still remain

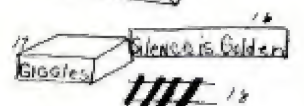

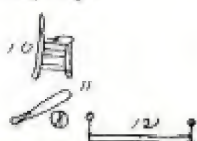

Maxine Phillips

and

Margaret Nan Lotspeich

TEXAS WESLEYAN COLLEGE

TEXAS WESLEYAN gives "Quality Education" in CHARACTER, PREPARATION, TRAINING AND CURRICULUM:

It is proverbially a school of character and educates in the broad sense and trains for a specific useful work . . . Preparation is made with achievement attachments to the stout timbers of purpose and solid acquirements, knowing that he who enters life's battlefield untrained, is half-beaten . . . Our student acquires a more priceless possession than his Diploma—"The power of thinking."

CURRICULUM changes are made to fit the student for business . . . The regular academic training is thorough . . . The Division of Fine Arts offers the best cultural advantages in applied and Public School Music, and in the field of Art . . . Courses in Bible and Religious Education play an important part in preparing the students for Christian Service . . . Particular attention is given to those who choose pre-professional courses in Law, Medicine, and Engineering.

STUDENTS develop self-confidence and leadership through a well-balanced program of extra-curricular activities that represent scholarship, social and religious interests under college sponsorship.

SUMMER SCHOOL session, June 1 to August 21.

FALL TERM opens September 15, 1942. Write for catalog.

Train for Business and You
SAFE, SURE, SOUND,
What More Can Any Ambitious,
WHY TAKE YOUR BUSINESS
COURSE NOW?

There are many good reasons why the high school graduate should take a business course immediately after receiving his diploma. Here are some of them:

(1) If you are trained for business employment and then wish to go to college, you can use your education both to help you with your studies and to pay your expenses in case you need to be self-supporting.

(2) If you do not finish your four year course in college, you have something to fall back on for self-support.

(3) If you finish your university course and cannot find employment in the profession for which you have qualified, you can take a business job.

(4) If you follow the profession for which you prepare in college, a knowledge of business will help you make it practical. You will notice that the best lawyers, the best doctors, the best engineers, etc., are all good business men and women.

(5) If you do not desire to go to college, you will be able to secure a position and begin your business career as soon as you complete your commercial course.

A great many educators are saying, "FIRST finish high school, NEXT take a business course in a business school, and THEN go to college or go to work."

Will Have a Fair Chance at SUBSTANTIAL SUCCESS

Forward-Looking Young Person Want?

WHERE IS OPPORTUNITY?

In many places there is no opportunity—and for many people there is no opportunity. Opportunity travels on a high level—and opportunity, like a fast train, seldom stops where there is no chance to do business.

It is certainly true that the greatest opportunities today are in the field of business—and also that opportunity means most to those who are prepared to render superior service in this field.

If we are to take earnings as a basis for measuring success, business ranks head and shoulders above all other vocations. Making money is not the whole measure of success, but it is **one of the very essential factors.**

You are looking ahead and thinking ahead. You now have your basic education, and you're anxious to know where your chance for achievement lies. If you will look about you, you will conclude that there are a thousand business men needed for every doctor, every clergyman, every architect in the community. In other words, there are a thousand calls for trained young people in business to one for those trained for a given profession.

Business training will prepare you to make a living—that is the first step toward useful citizenship. It has been said that the kind of life one lives is determined by the way one makes one's living. If this be true—and it is—it is important to be able to make enough money to live well!

Mr. Munden: Norma do you know your speech for the graduation exercises?

Norma Richerson: Well-er-yes Mr. Munden, I know part of it.

Mr. Munden: Let's hear you say it.

Norma: Mr. Munden, Parents, Teachers, and Friends.

Mr. Lowe: I want all of the starting team to meet me a the close of this period.

Bonnie Hatter: Mr. Lowe, what is the starting team, the little boys?

Janice Kliever: Miss Odell, I found a play, *The Doll's House*, but it isn't by the right author.

Miss Odell: Why, who wrote the one you found?

Janice: I don't know that is I can't pronounce his name, but it's spelled D-R-A-M-A-T-I-S P-E-R-S-O-N-A-E.

Charles Parr: Miss Odell, this questionnaire has a place to fill out about the state of my mind. What must I say?

Miss Odell. Well, just leave that blank.
